I. Step of using Stock board on BCEL-KT website.....	1
II. Understanding and usage	2
2.1 Market overview section.....	3
2.2 Stock trading section	3
2.3 Manual list section which can be modified by user	5
III. Password modification.....	7
IV. Log out.....	7

I. Step of using price board on BCEL-KT website

1. Go to website BCEL-KT (www.bcelkt.com).
2. You will see Login bar on the bottom right.
3. Please, fill in your personal information: (Username: XXXXXX, Password: ***** and Captcha Code).
You will see an additional "Private" menu on website.
4. Please, click Private menu, Index & Stock and Stocks price board will show up.

Note: Please see the pictures and numbers, 1, 2, 3, 4, 5 as below:

Step 1: The browser address bar shows the website URL: www.bcelkt.com.

Step 2: The login bar is located at the bottom right of the website.

Step 3: The login form contains the following fields:

- Username:** XXXXXX
- Password:** *****
- Captcha:** qwtuaxx

Step 4: The 'Private' menu is expanded, showing the following options:

- Private
- Home Trading
- Index & Stocks
- Company Report
- Change Password

The 'Index & Stocks' option is highlighted.

II. Understanding and Usage

- After login in to system, the screen will show details of BCEL as the main page

6

EDL-Gen x BCEL x LWPC x PTL x SVN x PCD x LCC x MHTL x LAT x

1. STOCK displays name of each stocks

2.* Display the best or highest bidding of each stock, Volume shows bidding volumes, BID shows bidding prices.

3.* Display the best or highest offering of each stock, Volume show offering volumes, OFFER show offering prices.

4.* This part displays prices details:

- PROR is previous closing price.
- LAST is current price.
- CHANGE is change in price compare to previous closing.
- OPEN is the opening price of that stock.
- HIGH is the highest price in day.
- LOW is the lowest price in day.
- AVG is an average price in day.

5. Mvolume to total number of transactions to the current time.

6. This part show list of stocks that chose by user and we can close them by click at symbol (X) next to their names (As picture) 

***Note:** The displaying on 2, 3, 4, 9 and 7 (exclude PROR) has 3 colors which have different meaning from each other:

- Green: It means that number is higher than previous closing
- Red: It means that number is lower than previous closing
- Yellow: It means that number is equal previous closing

III. Password modification

For the password modification we can do it by following steps:

1. First click Private⁽¹⁾, Change Password⁽²⁾ and the screen will show up.
2. After the screen shows up we can change our password by fill in our old password at Old pass⁽³⁾ and fill in the new one to (New Password⁽⁴⁾ & Repeat Password⁽⁵⁾) and Save⁽⁶⁾ this will count as completed.

Note: As illustrated by picture and numbers below (1 2 3 4 5 6)

The first screenshot shows the BCEL-KT website header with the 'Private' dropdown menu open. The 'Change Password' option is highlighted with a green box and labeled with a circled '1'. The second screenshot shows the 'Change Password' form with three input fields: 'Old Pass' (labeled with a circled '3'), 'New Password' (labeled with a circled '4'), and 'Repeat Password' (labeled with a circled '5'). A green box around the 'Save' button is labeled with a circled '6'.

IV. Log out

It is necessary to Logout every time after we finish using, if not you may have a problem with your log in next time. You only need to click log out button on the top right of screen for the process of logging out. (As picture below)
