Official Launch of BCEL-KT's Mobile Stock Trading Function via the BCEL ONE Application

Vientiane, October 2, 2025 – BCEL-KT Securities Co., Ltd. (BCEL-KT), in collaboration with Banque pour le Commerce Exterieur Lao Public (BCEL), held the official launch ceremony of the Mobile Trading System (MTS) for stock trading via the BCEL ONE Application at the Souphattra Hotel, Vientiane Capital.

The ceremony was honored by the presence of Mr. Soulivath Souvannachoumkham, Deputy Minister of Finance and Chairman of the BCEL Board of Directors; Mr. Soulisack Thamnouvong, Deputy Governor of the Bank of the Lao PDR; along with representatives from the Lao Securities Commission Office, the Lao Securities Exchange, Securities companies, BCEL shareholders, both domestic and foreign investors, BCEL-KT clients, as well as members of the media from various sectors.

During the event, Dr. Thepsavanh Kittiyavong, Managing Director of BCEL-KT, remarked: "The Mobile Trading System (MTS) marks a new milestone for the Lao capital market. It demonstrates our commitment to introducing modern technology in order to enhance service standards and create greater investment opportunities for investors."

Meanwhile, Ms. Saisamone Chanthachack, Managing Director of BCEL, emphasized: “This new system represents a significant step in modernizing financial services, enhancing convenience, and expanding market access for the general public.”

The launch of the MTS is recognized as an important advancement for the Lao capital market, enabling investors to access stock trading with greater convenience, speed, and efficiency.
